IT'S STEAMY, IT'S FUNNY, YOU'VE BEEN WAITING FOR IT! IT'S STUDS FOR HIRE: WOMAN IN CHARGE

*Studs for Hire:
Woman in Charge*

By Sherry James

*ISBN
0-9774682-9-1*

The Studs for Hire series by Sherry James began when Sydnie Riley got cheated out of a promotion at her advertising job. Tired of men always being the boss, and tired of the male chauvinistic attitude at her advertising firm she decided to join forces with three college friends and start her own company, Studs for Hire. The Studs for Hire construction company is staffed with sexy carpenters, plumbers, and electricians.

In the first book in the series, Sydnie Riley found her match when Trevor Vanden Bosch, the man who was given the promotion she worked for at the advertising company, applies for work as a carpenter.

Tension sizzled and sparks flew but happy ever after dangled just out of reach, because Trevor was at Studs for Hire in order to steal Sydnie's ideas for the Venus bra advertising campaign for Stardust Lingerie, the advertising company's

biggest account.

In the second book, Studs for Hire: Woman in Charge, Casey Burrows, one of the partners in the construction company lands the task of hiring Alex Roy, a sexy architect, to create the plans to build a shrine to Elvis in an eccentric widow's mansion.

The problem is, Alex is used to building classy timber frame homes for an elite clientele. He wants nothing to do with the job of immortalizing Elvis in Omaha. He is afraid that taking that job will ruin his reputation with his elite clientele. He can't afford to have his reputation ruined, but he needs the payday Casey offers.

Casey has a great career, a great house, a new car and a lovable dog. All she needs to make her life complete is a man who will really love her and not leave her with a broken heart and a maxed out credit card.

When she meets Alex she is determined to keep things strictly business, but she soon realizes renovation plans aren't the only thing she wants to him. He rocks her predictable world and she soon realizes she is ready to risk her heart one more time.

Studs for Hire: Woman in Charge is available now at <http://www.blackvelvet-seductions.com> or through one of our distribution partners which include Amazon, Fictionwise, Coffee Time Romance, All Romance Ebooks, and Adult Ebook Shop

Coming in December!

The Stir of Echo

By

Susan Gabriel

A gifted, but untrained clairaudient with a secret desire to be dominated is about to find out the truth behind the old adage, "Be careful what you wish for, because you just might get it."

Echo Sullivan has all but given up on herself, her gift, and on men, until she meets her charming new neighbor, Flynn. An invitation to his Halloween Fantasy Ball sends her on a course of discovery, and sexual awakening with life-altering choices.

Flynn's rakish good looks, sharp wit, and smooth Irish brogue appear to be just what the doctor ordered. He possesses an unsettling ability to recognize, and illuminate Echo's deepest desires; to stir them up and bring them bubbling to the surface. But Flynn harbors a strange and extraordinary secret.

What would you say if someone offered you the world... but asked for your soul?

Watch for it in December!

The Elvis Contest Sponsored by Sherry James

Sherry James is holding a contest at her site to celebrate the release of Studs for Hire: Woman in Charge. She will be giving away an autographed copy of Studs for Hire: Woman in Charge, some Christmas chocolates, and an Elvis Guitar ornament.
